SEXUAL ASSAULT CENTERS

Sexual Assault Centers can assist you with physical, emotional, and legal needs. They offer counselling and can accompany you to court if you press charges. Resource Centers can be found throughout the province. Please refer to the link below for further resources: http://www.calgarycasa.com/

EMPLOYEE AND FAMILY ASSISTANT PROGRAM (EFAP)

Many employers offer EFAP's through their benefits providers which give employees and their eligible family members to access confidential services for various reasons. Employers will share this information with their employees so that they can access confidential services when and where required.
