| <b>Subject:</b> | <b>Developer Funded Infrastructure Stabilization Fund Manual Adopted by Industry, City of Calgary</b> |

On April 27, 2021, BILD Calgary Region formally provided the finalized Developer Funded Infrastructure Stabilization Fund Manual to The City of Calgary, with it to take effect immediately.

Going forward, the DFISF Manual will be applicable to all future signed Development Agreements. In addition, the Manual will also be retroactively applied to all oversize claims which have not been paid in active Development Agreements.

In the event The City of Calgary is unable to resolve an oversize claim using the Manual, the claim will be brought to BILD Calgary Region and the Technical Developer Committee for resolution.
