

Calgary Building Services Field Inspections Changes

Commercial and Multi Family

- Inspections will continue for Commercial and Multi Family sites
 - Inspections will continue for Commercial and Multi Family sites, subject to the inspector's satisfaction that the appropriate physical distancing safe guards are in place at the site and permit holders at locations have met COVID19 screening criteria.

Occupied Residential

- Inspections will continue via video inspections
- When video inspection cannot be completed the inspection will be deferred until such time when we can complete a physical inspection
- Terms of permits will not be impacted
- The below list will allow for physical site inspection when video is not available and will require all COVID19 screening criteria:
 - exterior inspections
 - emergency situations
 - final inspections
