Mobility #4009

December 3, 2024

BILD
212 Meridian Rd NE
Calgary, Alberta T2A 2N6

Attention: Mohamad Mohamad

Dear Mohamad:

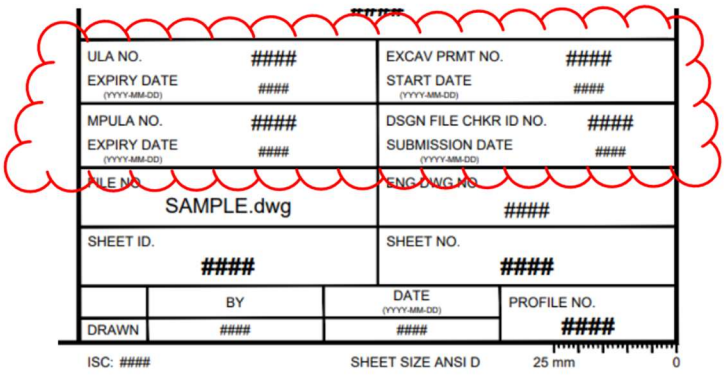
Re: New Requirements for Drafting title Block and ULA Submissions

1.) As per Point 7 from the September 2024 Street Light Design Bulletin, all designs must be completed using the City of Calgary Drafting Template effective January 1, 2025. To aide in this transition, below are some examples on how to fill out the title block on the new Drafting Template:

New Title Block Requirements Effective Jan 1, 2025 Per Point 7 from Sept 2024 Bulletin

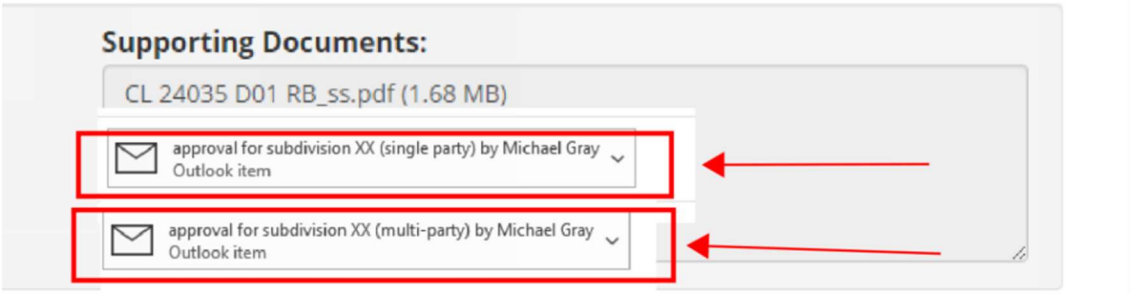
NOTE for Greenfield new subdivisions
IFR ULA, MPULA: TBD; Excavation # N/A; Design File Checker: TBD
IFC ULA, MPULA: Required; Excavation # N/A; Design File Checker: Required
Asbuilt ULA, MPULA: Required; Excavation # N/A ; Design File Checker: Required

NOTE for Brownfield retrofits
IFR ULA, MPULA: TBD; Excavation # TBD; Design File Checker: TBD
IFC ULA, MPULA: Required; Excavation # TBD; Design File Checker: Required
Asbuilt ULA, MPULA: Required; Excavation # Required ; Design File Checker: Required



2.) All Street light (MP)ULA applications must have an email approval of the design by Street Lighting team. The email approval must be attached as supporting documentation in CROWM (see example below).

New ULA Requirement for MPULA and ULA



If you have any questions or concerns, regarding these items, please reach out to streetlighting@calgary.ca.

Sincerely,

David Berge
