Karl Yeh:

Hi there, I'm Karl Yeh and welcome to another Homebuyer's School video, a channel where you get the latest strategies, tactics, and tips from home buying experts.

And remember, if this is your first time on this channel and you want to get the latest strategies from the experts, (00:00:20) make sure to hit the subscription button below, hit the little notification bell so you don't miss anything.

Karl Yeh:

So today, I'm joined by Cory McDonald, Community Manager with Brookfield Residential and the question we're going to answer, actually the topic we're going to answer today is:

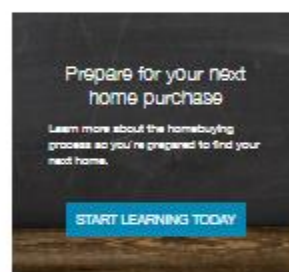

What are the advantages of buying a home versus renting?

Now, I know this is a question that I'm sure you always get.

Cory McDonald:

Always get. Especially because people that are moving either out of their current [basement](#) or brand new to the city, they want to have a look at the different costs associated with each.
