BILD Calgary Region Foundation Hosts Charity Golf Tournament

CALGARY – The BILD Calgary Region Foundation is pleased to announce that their annual Industry Charity Golf Classic is near capacity and close to being sold out with only limited space still available.

This year's event will once again be held at Priddis Greens Golf and Country Club on August 22, 2019 where over 280 golfers and volunteers from the Calgary Region building industry will raise funds for the Foundation's endeavours. Most recently, the BILD Calgary Region Foundation contributed to the renovations of the kitchen of Cottage 7: a therapeutic campus-based care program operated by Hull Services.

“One of the most important things any industry can do is give back to their communities, and I'm proud to see that Calgary's building industry has once again answered the call,” says **Brian Hahn**, BILD Calgary Region Foundation Managing Governor and BILD Calgary Region Association CEO. “No matter the economic climate, this industry has never failed to step up to the plate and improve the communities they've all worked hard to build.”

Since its inception, the BILD Calgary Region Foundation is responsible for providing over 7,000 beds for those in need and raising over \$7.5 million dollars for various community projects.

BILD Calgary Region Foundation was incorporated in 1986 with a mandate: to aid the community in which members of BILD Calgary Region work and live, by supporting shelter related charitable initiatives, education opportunities and shelter related research. BILD Calgary Region Foundation is very proud of the fact that it has no overhead. Resources such as staff, office space and equipment are graciously donated by BILD Calgary Region. The Board of Directors, as well as fundraising and committee organizers, are all volunteers.
